Subject: Rescheduling of Workshop for students under Placement Cell

In continuation with approval granted for conducting a workshop on 08.01.2024 and 09.01.2024 for students under placement cell, it has been verbally requested by some of the resource persons to reschedule the workshop dates as per their availability. So you are requested to grant permission for postponing and rescheduling the said workshop so as to ensure availability of the resource person for the two day workshop.

The proposed revised dates for workshop will be 09.01.2024 and 10.01.2024 instead of 08.01.2024 and 09.01.2024. There is no change in sessions and resource person except postponement of one day.

It is for your necessary approval.

Dr. Mandeep Chahal

Convener of Placement Cell
