

Urgent Notice

As per DHE/University guidelines, our college is running a 4 year integrated course as per NEP for the session 2023-24. During this course, the students are groomed and geared for in depth knowledge of subject. In addition to this, as per NEP, every student is required to undergo 4-6 weeks of internship training/ programme in summer vacations.

All the faculty members are requested to arrange this compulsory training for BA/BCOM 1st year students in the respective subjects. The students are required to take the prior permission from the principal before undergoing the training. They are also required to submit the copy of report (hard or soft copy in pdf) to the concerned department within 30 days along with attendance certificate.

The teachers can freely choose the students of their own subject for the required training, otherwise the students will be handed over as per mentor mentee group assigned.

You are requested to submit the details to the undersigned and NEP Coordinator before 10th May, 2023.

Please feel free to contact the Mrs. Manisha Ranga (NEP Coordinator) the required documents and queries.
